Curriculum Design
Know, Understand, and Do Planning Grid

TOPIC	DP Competencies	Related STANDARDS	OBJECTIVES students should		ASSESSMENT and therefore
			KNOW	UNDERSTAND (Essential Questions)	BE ABLE TO DO
Theme/Area of Study	DP Competencies targeted for particular topic area.	State prioritized standards - Identify by numbers only, i.e., LS2.2, SIS 3,	By then end of this course, students should: know (factual information, basic skills) and understand (big ideas, concepts).		Where possible, provide a number of examples to illustrate differentiation
